- Company logo will be printed on the photo wall and in the program at each table

### *Gifts & Vouchers Sponsors*

Following the success of last Christmas Dinner's lucky draw gifts, we are again happy to receive merchandise as gifts or vouchers for this year's lucky draw.

The objective of the event is to showcase Christmas Traditions with a setting that creates a platform for all our members to network in a non-working environment. We have seen previously that non-topic-based networking / meeting sessions can spur unexpected synergies and build bridges between people who may normally not attend the same type of events!

The amount of donation is naturally up to the discretion of each sponsor. We are happy to receive cash sponsors from RM 500 onwards.

We also hope that your company would like to buy a table or individual tickets to the event to invite staff, friends, and customers to enjoy this special evening with a Christmas Buffet and free flow of drinks.

We would be delighted to be able to include your company in our list of sponsors for 2023. We have attached a form for you to indicate your category of sponsorship.

We look forward to hearing from you and appreciate your continued support to make this a successful event.

Please do not hesitate to contact us if we can be of any further assistance.

Thank you & have a good day!
